## SUPERVISORS REDUCE RATE OF COUNTY TAXATION

The board of supervisors met in regular session, Tuesday, September 4th, at 10 a. m.

The report of County Horticultural Commissioner Newton Peck showed that he had inspected 4270 trees, shrubs and plants ,all of which were passed as clean with the exception of 68 plants found infected with what is known as the "Iris white fly". These plants were properly disinfected.

The following persons having complied with the county ordinance and furnished the required bond were granted liquor licenses:

First township—E. H. Dannmon, Daly City, A. Stampanoni, Colma; M. C. Callan, Colma; Carl Lovegren, Millbrae; Robert Mandel, Rockaway Beach (Class C).

Second township—Fred Adams, Belmont (Class C); Henry Levy, San Mateo (Class B).

Fourth township—L. Fau, Halfmoon Bay; A. T. Gilcrest, Halfmoon Bay; Edward Rider, Lobetos.

A petition signed by G. A. Stacke and firty-two other residents and taxpayers of the Pigeon Point school district, below Pescadero, was presented and read, asking the board to deny granting a license to Antone Bennett on the grounds that his saloon is located too close to Pigeon Point school house and that considerable disturanbces have been caused by drunken men coming out of the place and passing the school house.

G. A. Stacke addressed the board in the matter and urged the members to take action refusing to grant the license.

It was ordered on motion of MacBain, seconded by Hickey, that the aplication of Bennett be denied and that the money for his license be returned to him.

On motion of MacBain, seconded by Francis, Miss Edith Carleton was appointed assistant purchasing agent of San Mateo county at a salary of $75 per month, the appointment to date from August 1st ,1917.

A communication was received from Dr. Wood C. Baker, county physician, who had recently enlisted in the Medical Corps of the United States army, asking that his position be held open for him while he is in the service, and that Dr. A. L. Offield of Burlingame be deputized to act in his place.

The request of Dr. Baker was granted on motion of Brown, seconded by MacBain.

County Surveyor Neuman was directed to procure some photographs of the new State highway between Beresford and Redwood to be used as evidence in the hearing the Supervisors are to have on Friday, with Governor Stephens, regarding the uncompleted condition of the above highway.

The following applications for liquor licenses were given their first reading and will be acted upon a month hence:

### MRS. DAVID M. CRABTREE UNDERGOES OPERATION

Mrs. David M. Crabtree, a former resident of Redwood City, was operated upon for appendicitis at the Red Cross hospital at San Mateo last Sunday afternoon. The operation was performed by Dr. Chedister and was successful. Reports during the week from the hospital would indicate the patient is progressing nicely and will soon be convalescent.

Mrs. Crabtree is a grand daughter of teh late Horace Hawes, who did so much for Redwood City in pioneer days. In her girlhood she was known as Miss Eugenie Hawes. She recently inherited $25,000 from her aunt, Mrs. T. G. Phelps.

### EDWARD STACK RECOVERING FROM ATTACK OF ILLNESS

Edward Stack, the deputy auditor, who was taken ill with appendicitis during the week and whose illness for a while seemed alarming, is resting easily and will soon recover. The attending physicians believe an operation will not be necessary. It is expected that Mr. Stack will be at his desk in the auditor's office next Tuesday. Mr. Stack is one of the most popular and efficient officials in the courthouse.

## GIVES SIX SONS TO UNCLE SAM

Mrs. William Wyman of Redwood City has given six sons to the army of the United States. No mother could do more for the government. All her sons are in the service and she is left alone and without much of this world's goods to comfort her in her declining years. Mrs. Wyman is a native of California, her family being among the early Spanish settlers. She thrills with pride when speaking of her sons who are fighting for the colors in different parts of the world and feels as though she is giving her all in permitting them to enter the service, but she is patriotic and is willing to make the tremendous sacrifice. Few women in the United States have made such a sacrifice.

Mrs. Wyman has two sons in the service in Manila, one in the army and the other in the navy, two at the Presido, one ot Redding doing guard duty in the regular army and the sxith son is residing here but has passed the exemption board of the county and is ready to respond promptly when called, which will be of the late Horace Hawes, who did so

The government should provide a handsome pension for this woman.

### SAN MATEO COUNTY'S QUOTA STILL SHORT SIXTEEN MEN

The San Mateo County exemption board has about completed their examination of the second quota and find there are 16 men short of the full quota of 384. Another list of names will be called for to fill out the quota next week.

The board has not yet selected the 19 men who are to go into training on September 19th, but it is expected these men will be selected early next week.

## W. J. BROWN JOINS STOCKTON FIRM

Walter H. Brown, a resident of Redwood City for the past eight years and for four years wage committeeman for the National Window Glass Workers, left yesterday for Stockton to permanently reside. He has resigned his position with the glass workers to become superintendent of the Patterson Glass Company of Stockton.

As a wage committeeman for the glass workers he travelled all over the country spending only a short time home each year during the time he held the position.

Mr. Brown is an affable gentleman possessing good, sound business sense and through his fine judgment did a great deal to bring about a perfect understanding between the glass workers and their employers throughout the country. Mr. Brown will have charge of 300 men in his new position which pays a princely salary. His son, Herbert W. Brown, who has been a mail carrier for the past two years in the local postoffice has resigned his place to take a clerkship in the San Joaquin Valley Bank at Stockton. He gave the patrons of his route a splendid service and they regret to hear of his departure. The Browns maintained an attractive home in Redwood Highlands. They carry with them the best wishes of the people of Redwood City. James Debendetti of this city has been appointed a mail carrier by Postmaster J. V. Swift in place of young Brown. He was second on the civil service list.

## INFORMATION SOUGHT OF TWO MISSING YOUNGSTERS

John Castro, aged nine years and Teddy Aujoux, aged seven years, who left their homes at South San Francisco on July 29, 1917, have not been heard from, although every effort has been made both by the Sheriff's office and the citizens of South San Francisco. No trace has been found of their whereabout s. The parents of the boys still hope that their sons will return to them alive and well and the fond mothers stand at the

John Castro

doors of their humble homes watching and waiting for the home-coming of their loved ones.

Any information that may be given leading to the recovery of the boys will be thankfully received by the parents of the boys.

The citizens of South San Francisco have raised $150 and have deposited it in the Bank of South San Francisco as a reward for any person who will give information regarding the youths. The County of San Mateo has also given a reward of $50 for the same purpose.

Teddy Aujoux

It may be possible that the boys are held by some rancher in the county and has them working. However, the general theory is that the boys have been drowned in the deep water near the packing house at South San Francisco, as they were seen in that locality the day of their disappearance.

The picture of the Castro boy shows him after receiving his first communion last spring.

Jerry Halloran, a denizen of the ancient but dry town of Mayfield, was arrested for buying liquor for a soldier Wednesday. He came up before Town Recorder Mansfield the next day and was sentenced to serve thirty days in the county jail.

## CITY FATHERS HOLD SHORT MEETING

At the meeting of the city council Tuesday evening the position of City Electrician was combined with that of an additional police officer, thus giving the city the much needed advantage of an additional police officer at a slight increase of cost. C. L. Collins, former night police officer, was appointed to the new position and S. Douglas was appointed to fill Collins' former position. This move was made possible by the resignation of City Electrician M. E. Ryan, who finds that his increasing private business requires his entire attention.

With Trustees Merrill and Tuchsen both absent, the remainder of the session was confined to the consideration of a few items of purely routine business.

The Blanchard-Brown Company was granted an extension of 60 days in their contract for the improvement of Broadway and Main street.

The improvement of Broadway under the contract of E. M. Chadbourne was accepted after a favorable report by Street Superintendent Dearborne.

The license of the Acme saloon at 240 Main street was ordered transferred to Richard Krupke, who has purchased the place from W. C. Johansen.

T. F. Maloney was appointed as substitute police officer.

City Marshal Coleman reported that the collections of his office for the past month amounted to a total of $2560.19.

### FRIENDS PLEASED TO HEAR OF MRS. SEARS RECOVERY

The many friends of Mrs. Ida J. Sears of La Honda will be pleased to learn that she is recovering from her recent illness and will soon be convalescent. She was suffering a severe attack of pneumonia and for a while her life was dispaired of. Mrs. Sears became ill just after the death of her son when she was prostrated with grief and in no physical condition to throw off the dreaded disease. Mrs. Sears is well-known throughout the state. Summer guests from every corner of commonwealth enjoy the Sears resort at La Honda annually and all go away with pleasant memories of the hospitality of Mrs. Sears.

### WOMAN GIVEN $4,096 TO CARE FOR CHILDREN

An interlocutory decree of divorce obtained August 2, 1919, by Carrie Gillespie from Walter Gillespie yesterday prevented her from getting compensation from the State Accident Commission for Gillespie's death and gave the award to her three children.

Gillespie, who was a Pacific Gas & Electric man, was knocked down and killed by an auto last May.

It developed at the hearing before the Accident Commission that Gillespie was not to pay alimony by the terms of the decree. But he did agree to pay $35 a month for the support of two minor children and toward the education of a daughter 21 years of age.

This circumstance was the basis for the State Commission's award of $4,096 for the three children, Emily, Elizabeth and Walter Gillespie. Then the commission made Mrs. Gillespie trustee without bonds, and directed her to use the funds, as paid weekly, for carrying out the original agreement as to the children.

## WILLIAM RAHTJE ENDS OWN LIFE

William Rahtje, the well-known business man and proprietor of a soda works at San Mateo, committed suicide last Saturday evening by shooting himself through the mouth wihle mentally deranged. He was found dead in bed in a rear room of the family apartment over the soda works on C. street, San Mateo.

The funeral was held Tuesday afternoon under the auspices of San Mateo Moose Lodge and interment was in Cypress Cemetery.

Mr. Rahtje was a native of Germany, aged 42 years. No particular cause is attributed to his rash act other than he had been in poor health for the past year. His domestic affairs were very happy. Some years ago he married Miss Stanton of Menlo Park and besides his wife he is survived by two children, Eloise and William S. Rahtje, both being under ten years. Mr. Rahtje had been a resident of the county for about fifteen years. He resided at Menlo Park for a long time before engaging in the soda business at San Mateo. Mr. Rahtje was a member of the San Mateo Lodge of Moose, Redwood City Aerie of Eagles and the National Union Golden Gate Council, San Francisco.

David Flynn, the local agent for the Ford automobile, this week sold a run-about to Walter Genochio.

Miss Dorothy and Leona Robinson of San Francisco spent the holidays as the guests of the Misses Birdie and Dollie Bacon.

## FITZPATRICK CASHIER OF NEW BANKING INSTITUTION

Frank Fitzpatrick, for some years the assistant cashier of the Redwood City Commercial Bank, now the Bank of Italy, has been pormoted to take the place of Donald W. Williams, who retires from the institution. This is a deserved promotion for Mr. Fitzpatrick is a young man of sterling qualities and during his employment in the bank has shown marked ability. His place as assistant cashier has been taken by Eugene Sampson, who is promoted from a clerkship in the bank. He is a clever accountant, steady and an efficient young man who has richly earned the coveted promotion. His place has been given to Charles Fasso, a recent graduate of the local high school.

Mr. Williams, the retiring cashier, will leave next week for his old home in Maine. He will also visit his former home in New Richmond, Wisconsin, and will also spend some time in Michigan. He expects to be gone for ten weeks. Mr. Williams will be accompanied by his family.

### PRIEST READY TO FIGHT FOR THIS COUNTRY

Father Alberto Rosalino Bandini, a Catholic priest and a native of Italy, is ready today to shoulder a gun for Uncle Sam. He told Federal Judge William H. Hunt, in seeking to become a naturalized citizen, that he was willing to fight for the United States.

"Would you be willing to go upon the battlefield as a chaplain?" asked the court

"Yes, Your Honor," said Father Bandini, "for America I would be willing to go on the battlefield shouldering a gun. I am willing to shoulder all the responsibilities of a citizen."

The petition was granted.

Father Bandini was the assistant pastor of Mount Carmel church two years ago, going from here to take charge at Stockton. He is well-known in Redwood City.

J. C. Williamson has applied in the superior court for letters of administration upon the estate of his wife, Mrs. Hattie J. Williamson, deceased. She died at Pescadero on August 7, 1917. The estate is valued at less than $10,000 and consists of cash on hand amounting to $110, cash on deposit in the San Mateo County Saving's Bank amounting to $1600 and real property consisting of 121 acres of land at Pescadero valued at $3500. The heirs at law are the petitioner, and the following children: Frank G., E. G., and Florence E. Williamson. Ross and Ross are the attorneys for petitioner.

### CAUSE FOR CONGRATULATION

In these days of constant tendency toward additional governmental expense, and consequent increased taxation, San Mateo county occupies an unique situation. Not alone do we find that the tax rate of the county has not been increased but, in spite of the fact that there has necessarily been a decided raise in the cost of almost every item of expenditure, there is to be a marked decrease in the rate of taxation.

That this satisfactory showing has been made possible can be attributed to but one source—careful and business-like management on the part of those officials who have primary supervision of the expenditure of the county funds. Especially is this true when it is considered that with the announcement of the reduced rate there comes no hint of a cessation of the work of improvement beyond the ordinary methods of retrenchment which all must be called upon to pursue during these times of tribulation and uncertainty.

Certainly the members of the Board of Supervisors are to be congratulated upon the splendid showing made. And undoubtedly they will, both collectively and individually, receive the commendation of the people of the county.

According to statistics covering a long period of years, that portion of the peninsula including Redwood City and Menlo Park is the world's most favored spot, being freer from rainy days, fog, cloudy days, extremes of temperature, high winds and storms of all kinds than any known spot on earth. The statistics were compiled by the German Government, which had observations taken all over the world.

### J. D. HENDERSON AWARDED BELMONT SCHOOL CONTRACT

The trustees of the Belmont grammar school have awarded a contract to J. D. Henderson for the erection of a two story building to cost $11,900. It is to be a modern building in every particular. Bonds for the building and site were voted by the people of the district some months ago. Mr Henderson is the contractor who built th Washington and Lincoln grammer shool buildings of this city. His work here gave entire satisfaction.

## "BILLY" WILLIAMS AT THE FORUM

The address at the forum, Baptist Church, last Sunday evening by Mr. Williams, was concerning what liquor had done for him. He began active life as a commercial traveler, representing a number of large manufacturing concerns, earning a salary of over $3,500 a year. Early in life he began to drink. During his period of traveling, he would get on a prolonged spree every five or six months. He made many resolves to give drink up, but always broke them. He was on the road to reform when he was invited to dinner at the home of a friend, a prominent business man. At the table wine was served. It sent him on a six weeks' spree in Kansas City. During that time he spent $1,800. Then he pawned his watch and finally his coat. In his attempt to reform he took the Keeley Cure, but to no effect. He got free from the power of drink only after his conversion. He said that a periodical boozer, like what he was, is not so bad off, however, as one who drinks moderately every day; is not so hard to save from the cups.

The speaker stated that every glass of liquor has in it three deadly elements; insanity, suicide and death; that drink injures a man mentally and physically; that while the habit of drink may be overcome, the effects of it can not be. The saloon he said, is a great loss to the commercial interest of the country. The business men of San Jose now see this and are going to put it out. In closing ,he referred to the removal of the camp from Menlo and stated that he had it on good authority that it was caused, not by sewerage, but because the War Department feared the saloons and other dirt of San Francisco.

All are cordially invited to attend.

**Object**

The object of the Mission is to offer extraordinary opportunities for hearing the Word of God and for worthily receiving the Sacraments. The Church enriches with wonderful favors those who make the Mission well; and we should all earnestly pray to God that not one member of the parish may fail to profit by this season of grace. In the words of St. Paul: "We exhort you, that you receive not the grace of God in vain. For He saith: "In an accepted time have I heard thee; and in the day of salvation have I helped thee. Behold now is the day of salvation."

All who attend the Mission should be present at the close, when the Papal Blessing is given.

**Religious Articles**

Books of Instruction and Devotion, Beads, Crucifixes, Scapulars, etc., may be procured during the Mission. All are earnestly requested to read the little pamphlet entitled, "How to Make the Mission." **Advice**

God alone knows how near you are to eternity. We beseech all attending the Mission to pray earnestly for the conversion of sinners. Those who have at any time led people to sin should repair the past by leading others to God. Miss May McCullough, a former Menlo Park young lady and for several years a teacher in the San Francisco school department ,entered the convent at Notre Dame at San Jose yesterday to become a nun. She resigned her position in the school department to devote the remainder of her life to the cause of religion in teaching young girls the truths of her faith. Miss McCullough is a graduate of the State Normal School and after her graduation taught in the Las Lomitas school. She is accounted a very clever instructor. Her sister, Miss Monica McCullough, entered a convent at Los Angeles two years ago and is soon to take her final vows as a nun. The McCullough family were very well-known here a few years ago.

It has leaked out that three of our prominent young ladies are engaged to three engineers of the Oregon regiment which has jus left for Camp Greene in North Carolina. Rumor has it that the weddings will take place this winter when the engineers are to return to Camp Fremont. This bit of news was learned when the young soldiers were leaving camp to entrain. The affectionate farewells told the story.

The Tuesday and Friday night dances in Duff & Doyle hall are largely attended, and are much enjoyed by dance-goers. The most respectable of the village attend these affairs.

is our aim in serving meat—to retain the fine flavor Nature bestows, not to let it go to waste, as some meatshops do. Without prolonging this true tale, it may be set down for a fact that here is to be found a first-class place to purchase beef, mutton, ham, poultry and game, to give your table good credit with household and guest.
